<sup>\*</sup>According to Act 368, Public Acts of 1978, any child enrolling in a Michigan school for the first time must be adequately immunized, vision tested and hearing tested. Exemptions to these requirements are granted for medical, religious, and other objections provided that waiver forms are properly prepared, signed, and delivered to school administrators. Forms for these exemptions are available at your school or local health department.

## COMPLETION OF THE HEALTH APPRAISAL FORM

Subject: Completion of Health Appraisal form according to State Regulations

When completing your health appraisal form for the nursery school, please be sure that each of the following sections is **absolutely complete** with appropriate signature, date, address, phone number, etc.

- 1. Personal every space needs to be completed; if not applicable, place N/A in the space.
- 2. Section I Health History complete and be sure to sign and date as parent and guardian.
- 3. Section II Immunizations all dates have to be completed with month, day, and year. Be sure this area is signed by the doctor or nurse. They should supply and verify this information. Parent's signature will not be accepted here.
- 4. Section III optional, not required for admission.
- 5. Section IV has to be completed by the doctor and all information (date, degree or license, name, address and phone number) must be completed.
- 6. Section V optional

THANK YOU FOR YOUR HELP IN KEEPING OUR RECORDS ACCURATE AND COMPLETE!
